Just A Reminder

*Everyone who goes to the rated horse show are now required to be in full grooming. This is no longer optional. Full grooming is \$ 45 a day and includes; feeding, cleaning, lunging, bathing, tacking up and un-tacking, bandaging, unbraiding, etc.

*Please don't leave anything except blankets hanging on stall doors.

*Make sure all of you equipment and tack is put away in the tackroom or your tack trunk. Don't leave anything in the barn aisles.

*Use tack and supplies that belong to you. Many things are getting borrowed. Please only use what is yours.

Torture Your Trainer

Torture Your Trainer was held on Friday, August 10th. Sami, Haley and Emily all rode and took instruction from their students. Bailey Alexander gave Emily her lesson and had her doing the most “no stirrup” work by far. She had Emily jumping and jumping over and over with no stirrups. Poor Emily. 😞 Sami and Haley took instruction from all the young girls and their lesson consisted of posting at the walk, two-point, up 5 down 1, cantering and a little jumping, all with no stirrups. When the “torture” part of the lesson was over, we got to jump, do medal courses and work-off tests. It was a lot of fun and the kids loved it! Thanks to everyone who participated.

Pictures

We will be hanging pictures in the office of clients who own their own horses. If you would like to have a spot on the wall, please bring a framed 8 X10 photo of you and your horse. Jumping pictures with show attire are ideal. You can give your framed photo to Sami and we’ll be sure to get it hung. Heidi & Milo(below)
