## Onadarka Finals

Addy Cord and I went to Los Angeles for the Onadarka Finals. The Onadarka is a 12 and under, 3' medal final that Addy and I had set as our goal for the year. When she got qualified we were thrilled at the opportunity to go. She rode the best I've seen her ride, but had some complications with Donovan which kept us out of the top 15. All in all it was an excellent experience and she is still able to compete in it next year!

### **Date Change!**

We had originally scheduled the Christmas Party for December 13th, but had a conflict so it is now Sunday, December 14th at 6pm. Please get an invitation with all the information in the office.

### **Parking**

We need everyone to park in the lower parking lot at all times. I know there has been confusion as to where to park and not park. The latest is... park down below, next to the jumping arena. The back driveway is for shavings and feed only and is not to be used by clients.

Thank You!!

### **Rainy Season Is Here**

Please assume lessons are not cancelled during the rainy season unless you receive a call. You are more than welcome to call us if you aren't sure, but we will not call if lessons are as regularly scheduled.

### **Sami's Maternity Leave**

My maternity leave begins December 15th and I'll be back February 1st. Everyone is welcome to call me on my cell phone if you have questions or concerns that need my input. Haley is available for all other coordinating and needs. I look forward to February 1st and can't wait to get back on track!

### **Picture Of The Month**
